

Roomba® 865

iRobot®
Roomba®
Vacuum Cleaning Robot

Revolutionary cleaning performance and less maintenance.

Thorough Cleaning

AeroForce™ Three-stage Cleaning System uses patented debris extractors to clean the floor more effectively

Easy to Use

Just press "Clean" or schedule to clean while you're not home

Full Suite of Sensors

Vacuums on its own using iAdapt® Responsive Navigation Technology

Roomba 865 Features

Navigates under and around furniture and through loose cords without damaging household objects.

Works on hard floors and carpets.

Cleans along wall edges using a spinning side brush for the most thorough floor coverage.

Cleans on a schedule that's convenient for you.

Avoids stairs and other drop-offs.

HEPA filter traps pet dander, dust particles and other allergens.

Automatically charges itself between cleanings.

Detects the finest particles and concentrates cleaning using persistent pass.

Detects dirtier areas and cleans them more intensely.

AeroForce™ Extractors eliminate the hassle of hair-tangled brushes.

A deeper clean at the touch of a button, every day.

iRobot® Roomba® 800 Series Robots are the ultimate high performance robot vacuum cleaners. This base Roomba 865 model features the revolutionary AeroForce™ Three-stage Cleaning System and AeroForce™ Extractors and is proven to remove up to 50% more dirt, dust, hair and debris from all floor types with less maintenance hassle.

Vacuuming couldn't be easier than with Roomba 865. Just press "Clean" and Roomba gets on with the hard work. It finds its way around effortlessly, avoids obstacles, vacuums under furnishings and effectively cleans every area, covering the floor and focusing extra cleaning energy where it's needed most.

Roomba 865 is ideal for allergy sufferers and pet owners and it's also virtually maintenance-free. You don't even need to be at home to do the cleaning! Simply set up the schedule and you can go out and then come home to beautifully clean floors.

SMART – ROOMBA 865 OUT-CLEANS THE COMPETITION

- Vacuums every section of floor.
- Detects dirt and debris and concentrates extra cleaning effort where it's needed most.
- Manoeuvres under and around furniture, beds and curtains.
- Cleans along wall edges.
- Avoids stairs, obstacles and loose wires.
- Works in cluttered rooms without damaging furniture or fragile objects.
- Has a full bin indicator to let you know when the bin needs to be emptied.

SIMPLE – LESS MAINTENANCE HASSLE

- Tangle-Free AeroForce™ Extractors virtually eliminate the hassle of hair clogs and jams and are faster to clean than vacuum brushes.
- Less frequent maintenance and cleaning of the robot.
- iRobot XLife™ Battery delivers twice as many cleaning cycles as previous Roomba batteries, doubling the time before a replacement battery may be needed.*

CLEAN – AEROFORCE™ THREE-STAGE CLEANING SYSTEM

- Revolutionary cleaning system delivers maximum cleaning performance to remove up to 50% more dirt, dust, hair and debris from all floor types.
- Tangle-Free AeroForce™ Extractors break down debris and lift dirt while the brushless design is virtually maintenance free.
- The Airflow Accelerator concentrates airflow to multiply vacuum power.
- The High-Efficiency Vacuum maximises the vacuum power for optimised cleaning efficiency.
- 5x more powerful vacuum than previous Roomba models.

*Roomba runtime remains the same between recharges. Battery lifetime varies with usage and home environment. Use Roomba as directed for longest battery life.
